

OBTAINING A GRANT OF PROBATE

We will obtain the Grant of Probate for the Executors and the Executors will then administer the Estate.

Minimum £1,750.00 plus V.A.T.

FULL ESTATE ADMINISTRATION

Our fees are 1% of the value of the Estate plus time spent at the current hourly rate.

If we are the Executors to the Estate a charge of 1½% of the value of the Estate plus time will be charged.

The Probate fee payable is £155.00 although there are Government plans to increase these drastically. These will be published when they become Law. There are also Disbursements payable for advertisements in the London Gazette and local newspapers but these tend to be around £200.00.

If the sale of property or land is involved there will be a separate charge for the Conveyancing aspect involved.

A typical Estate administration will take three to eighteen months to complete dependant upon the complexity and assets involved.
